

# Bringing a Dream to Life....

Get Involved.... Make a Difference.... Be part of a Legacy....

Volunteers are building a **Youth Football & Sports Complex** on 28 acres unlike anything else in the area.

The "Robert G. Perry" Northern Community Pop Warner Complex will benefit children from all over including Holland Patent, Barneveld, Trenton, Floyd, Steuben, Remsen and parts of Western, and Marcy.

After years of difficulty with access to practice and game fields, and not to mention the disappointment of our children with cancellation of games and practices, a group of extraordinary men and women got together to make a difference.

## How can you help?

**Construction Contractors** can donate:

- Labor
- Equipment
- Operators
- Materials (new or left over)  
Such as separation fabric, storm sewer pipe, drainage inlets, chain link fencing, under drain, etc.

**Building Suppliers** can donate supplies for constructing the following:

- Restrooms
- Concession Stand
- Announcement Booth

**Volunteer Organizations** can help with seeding, raking, erosion control maintenance, and other related hand work.

**Monetary Donation:** Any and all donations are greatly needed and appreciated. Sponsorships are available, which include permanent name recognition for years to come.

Send your tax-deductable donation to:  
Northern Community Pop Warner
